GOD'S AUTHORITY

Today's Gospel states, "The people were astonished at his teaching, for he taught them as one having authority." What does "authority" mean? Whether we feel the most helpless, or in total control of everything around us, Christ always has the power to take over. At times he allows suffering.

Other times He will cure or even provide miracles. The when and why are a mystery, but what is clear is that such encounters, the sweetest and the most sorrowful, help us to recognize our reliance on His dominion. In today's world, many often try to survive day to day as if God doesn't exist. We go about our worldly business ignorant and distracted. Sometimes when things get bad we still try to take it into our own hands, afraid to ask for help. Yet we were never created to exist without God. In fact, CS Lewis once wrote, "The worst thing we can do to God is leave him alone." God longs for us. He thirsts for us. Let us continue to be amazed in today's day and age, just like those who witnessed Christ's miracles firsthand. For His great deeds continue to live on forever. May we always be thankful and eager to respond with similar love for one another. -By Alexis Dallara-Marsh
