Key to the City

Sometimes a mayor presents the key to the city to a citizen who has given outstanding service to the community. When Jesus gives Simon the keys to the kingdom of heaven, it is more than just a symbolic honor bestowed by a mayor. Jesus is actually giving both a blessing and a responsibility.

The blessing is that Peter recognized Jesus as the Son of God. Even today, people are blessed with this kind of faith. An atheist who has heard of Jesus but regards him as just another holy man may receive the faith to see that Jesus is the Son of God. A sick person may see that Jesus is with her in her suffering and begin to have hope. The faith that sees Jesus in others is the rock on which Jesus builds his church.

The responsibility comes in the binding and loosing. One meaning of this is the power that Jesus gives his church to forgive sins. So those who follow Jesus have that same obligation to forgive others. If we forgive those who hurt us, they may come to see God's love in us and know that God forgives them, too. So why pass up an opportunity to show God's love by forgiving someone? All Christians pray in the Lord's Prayer that we may be forgiven as we forgive others. Let us use the keys of the kingdom to open the doors of God's love. (Tom Schmidt, Diocesan.com)
