Welcome to **OUR LADY OF GRACE** Catholic

Reflection from Fr Kavungal Davy, CMI

Month of October is known as month of the Rosary. The Feast of our Lady of the Rosary is on October 7th. It is important for us to consider the immense treasure of spiritual good that is found in the recitation of the Holy Rosary. The power of prayer of the Holy Rosary is very effective in the conversion of our hearts and of the world.

Saint Pope John Paul II once said in a homily: “It could be said that each mystery of the Holy Rosary, when carefully meditated, sheds light on the mystery of man. To pray the rosary is to hand over our burdens to the combined merciful hearts of Christ and His Mother. The rosary does indeed ‘mark the rhythm of human life’, bringing it into the joyful communion of the Holy Trinity...” He added, the Rosary is nothing other than contemplating Christ with the face of Mary and is praiseworthy tradition of Christian families. Mother Mary in many apparitions in the nineteenth and twentieth centuries encouraged people to pray the Rosary, especially the apparitions at Lourdes and Fatima.

The Rosary prayed lovingly with devotion and contemplation it uplifts us. The Rosary is a prayer to be prayed with the heart, it is not a race to get to the last prayer. Contemplating the scenes of the Rosary in union with Mary is a means of learning from her to discover the secrets and to understand Christ’s message. To help us contemplate salvific mystery of Jesus as we pray the Rosary we can read a passage of Scripture or maybe even a meditation before praying each decade. I encourage everyone to join our parish family to pray the rosary daily or pray at home with the family members and friends.

May mother Mary, our Patroness intercede for us!
