From Fr Davy's Desk

Dear friends, this Sunday we meditate upon the Parable of the Talents from the Gospel of Matthew (25:1-15, 19-21). Through the Parable of the Talents, Jesus reminds us that God has entrusted each of us with precious gifts and abilities. The master gives different amounts to his servants according to their abilities and expects them to use those gifts wisely and responsibly.

This parable teaches us that everything we have is a gift from God; our time, talents, resources, faith, and opportunities. God does not expect everyone to accomplish the same things, but He expects each of us to make the best use of what we have received. The real tragedy is not having fewer talents, but failing to use them. As members of our parish community, we are called to put our gifts at the service of God and one another. Whether through prayer, volunteering, welcoming newcomers, caring for the sick, supporting our parish ministries, or sharing our faith, every contribution matters. Even the smallest act of love can make a great difference.

St Paul in his letter to the Corinthians (1Cor. 12: 28-31) writes: 'Some people God has designated in the church to be, first, apostles; second, prophets; third, teachers; then, mighty deeds; then, gifts of healing, assistance, administration, and varieties of tongues. Are all apostles? Are all prophets? Are all teachers? Do all work mighty deeds? Do all have gifts of healing? Do all speak in tongues? Do all interpret? Strive eagerly for the greatest spiritual gifts.' All are gifted in many ways. All gifts and talents are to be recognized and we are entrusted to multiply them according our abilities.

Let us not bury our talents out of fear, hesitation, or indifference. Instead, let us invest them generously in building God's Kingdom. May we one day hear those beautiful words of our Master: "Well done, good and faithful servant… Come and share your master's joy!" (Matthew 25:21).
